you play in authentic leagues around the world, take on the role of real-life athletes, and experience what it's like to compete at the FIFA World Cup™ – the pinnacle of world soccer. Play in authentic leagues and take on any role in real-world soccer including a goalkeeper, defender, midfielder, or striker. There is no end to the options available in FIFA games. The game includes 300 official club teams from over 30 leagues, the largest lineup of clubs in a soccer game. In addition, EA SPORTS FIFA 22 provides unparalleled gameplay control with ball physics in all game modes. With unrivalled gameplay control, unique in-game Commentary, and next-gen presentation, FIFA 22 is the most authentic and immersive soccer experience on any platform. Play as any player, coach or referee in the game. Powered by Football™ As the latest evolution of the series, FIFA 22 is a console-only title powered by EA SPORTS Football™. It brings the game closer to the real-life pitch, featuring innovations in game play, new game modes, and authentic club environments. EA SPORTS Football is a FIFA-licensed mode within the FIFA franchise that allows fans to customize authentic club play with a new MyClub™ feature that takes the customization even further. NEW IN FIFA 22 • All-new Player Impact Engine takes a step forward in realism Players now react in a manner that closely resembles real-life with a

new player impact engine. New player attributes have been added, and players exhibit their new skills through an improved goalkeeper intelligence and improved ball trajectory (including shot angles). Defense is more reactive, and the ball behaves more like a real-life ball – slowing and decelerating with varied wind and weather conditions. • New game modes lead to more strategy and tactics. The game will now let players familiarize themselves with a range of new game modes. FIFA Ultimate Team is now available for online play in addition to the offline season mode. Online play enables players to compete in a new game mode called FUT Champions. This new mode challenges players to compete against each other in the FIFA World Cup™ and in FIFA Classic for a chance to win FUT Champions League titles, one of a limited number of items in FUT. • FIFA Ultimate Team returns, now with new functionality

Play over 35 leagues and complete more tournaments in FIFA Ultimate Team. Improved Game Mechanics You can now perform unique move animations, controlled by the player and not the controller. In

### **What's new in Fifa 22:**

- **Hypermotion introduces physics to gameplay. This realism enhances everything from moves to passes, reducing the chance of an interception or tackling a player before he has received the ball.**
- **PES 2017 introduces a new generation of AI. Now, players behave more intelligently on the pitch and react to your moves.**
- **Key Impact Improvements for PES 2017: New, brighter movements based on real impacts (slams, tackles and headers).**
- **Improved ball physics, with the ability for players to move with, or away from, the ball for more realistic dribbling.**
- **Player actions for goalkeepers: touch, punch and recover, as well as the ability to shout to teammates. "Roger" chants can now be used by goalkeepers to distract the opponent.**

- 
- **New animations and improved responses to the ball, including goalkeeper gloves that resist the tackle.**
  - **Clock system with accurate and dynamic time possession for 1 vs 1 and 3 vs 3 games, along with more game length options.**
  - **Video highlights provide a better look at the action during matches and players, particularly during key moments of the game.**
  - **Scout system now carries over to a more dynamic PES 2017 style: players can request a specific move, and you can collect all sorts of scouting info on goalkeepers.**
  - **3 new kits, and more DLC.**
  - **FIFA Ultimate Team. The Ultimate Team in FIFA 22, provides fans with an opportunity to assemble a dream collection of real, fantasy players, make the best equipped squad, and dominate on the pitch. Fans can now invite 16 players from the PES 2017 era and purchase players with legendary status like Uli Behnke, Dieter Reichert and Luca Toni.**
