Roblox is an online game platform and game creation system developed by Roblox Corporation that allows users to program games and play games created by other users. Created by David Baszucki and Erik Cassel in 2004 and released in 2006, the platform hosts user-created games of multiple genres coded in the programming language Lua. For most of Roblox's history, it was relatively small, both as a platform and a company. Roblox began to grow rapidly in the second half of the 2010s, and this growth has been accelerated by the COVID-19 pandemic. It was really simple, but it was so fun to make. I didn't realize how many people still played it around my area when I made

it. I had a lot of fun making it, and I wanted to make more of these simple games because ever since then, I enjoy making them, so I can't wait to make another one! This is the video of me at about the age when I played Pokemon emerald: [Pokemon Emerald 804945ef61](#)
